

6508P Electrical Program Paper Guillotine

Model : FN-6508P
Max.Cutting Size : 650mm
Min. Cutting Size : 30mm
Cutting Thickness : 80mm
Cutting Precision : ± 0.3 mm
Pressing Paper Mode : Electric
Pushing Paper Mode : Program
Program : yes
Display : Liquid crystal
Power Supply : AC220V(110V) $\pm 10\%$
50HZ (60HZ) 1.5KW
Net Weight : 290KG
Machine Dimension(H*D*W) : 1260*1120*950mm

- Design with CE standard, front grating safety protection and back Protection cover conform to safe system
- Independent function of pressing paper and cutting paper
- Inclined cutting technology
- Spin cutter with adjusting depth curve technology device
- Function of double orbit push paper for guarantee of precision
- Imported main motor with strong motive power
- Precise numerical-control circuit design of pushing paper, accurate location, reset protection and digital displayed cutting size
- Programmed circuit design, being able to save nine group data with Setting program at will
- Particular function of self-detection of malfunction
- Political Cutting Line
- Fashionable appearance design with patented
